TransElite® is universal life insurance that helps provide financial protection at a competitive cost.

Help protect the people who depend on you.

Andrea chose universal life insurance because she didn't want to worry what would happen to her five-year-old, Samuel, in the event of her death. It helped her feel better about his well-being to know her life insurance death benefit would help him if the worst happened.

Universal life insurance can help safeguard your family members' futures, with benefits that can assist with your final expenses and their dependent care, living expenses or college tuition.

Give yourself peace of mind.

Only six of ten Americans surveyed said they have life insurance, and half said they needed more.¹ Eight in ten consumers who have had a positive experience with life insurance said it played a critical role after a loved one's death.²

Get the benefits that fit your needs.

Andrea is doing her best to save for retirement. Her universal life insurance policy builds cash value³ so she can borrow against it in the future and protect her savings if an unexpected expense arises. In her later years, her built-up cash value will continue to pay her cost of insurance, maintaining her policy even after she retires.

Life insurance should fit you, and we don't limit you with a one-size-fits-all approach. Whether you're more interested in ensuring your ability to keep a death benefit from now until you're 100, just want to add to your term life policy or want to build cash value for your heirs, our universal life insurance policy works for just the right segment of the population: you.

Use your benefits when you need them most.

15 years after Andrea signs up for universal life insurance, her son Samuel's car (older than her policy) breaks down in his junior year of college. She borrows against her policy's cash value to get him a reliable car, and they pay it back together by the time he graduates.

Life is unpredictable. Universal life offers help that goes beyond traditional life insurance to meet challenging situations. If you need to borrow against the cash value, you can pay it back when times get better.

If you're diagnosed with a terminal illness, you can use a portion of the policy's death benefit to make a difficult time easier. If you're laid off, monthly deductions are waived for up to six months so you maintain your policy.

Take our portable, flexible policy with you.

When Andrea is offered a job with more travel and better salary at another company, she switches from payroll deduction to self-pay to keep her Transamerica policy. When Samuel gets a great job after college, she adjusts her premiums because she only needs to cover her own final expenses now that he can take care of himself. She lets him transfer the child term rider that had provided his life insurance while in college to his own universal life policy in his own name.

We let you keep your insurance when changing jobs and adjust premiums, death benefit and cash value amounts to meet changing personal financial situations like getting married, having a child, buying a house, seeing your child through graduation or retiring.

SUMMARY OF BENEFITS

Accelerated Death Benefit for Terminal Condition Rider (Rider Form Series CRLTI100) - Accelerates a portion of the coverage amount if a covered person is first diagnosed with a terminal condition which, in the best medical judgment, will result in death within 12 months.

When exercised, an administrative fee of \$100 plus 12 months advanced interest will be deducted from the benefit payment. The death benefit and other contract values will be reduced accordingly and this rider will terminate.

Accelerated Death Benefit for Living Benefit Rider (Rider Form Series CRLLT100) - Accelerates a portion of the coverage amount if a covered person is diagnosed with a covered chronic illness and in the best medical judgment is unable to perform daily activities for a period of at least 90 days without human assistance; or has a severe cognitive impairment that is expected to be permanent or requires supervision to protect the insured's health or safety.

Extension of Benefits Rider (Rider Form Series CRLEX100) - If included with policy, after 100% of the coverage amount has been accelerated under the Accelerated Death Benefit for Living Benefit Rider and the covered employee or spouse continues to be eligible for benefits, we will begin increasing the ADB-LB coverage amount by 4% so that the monthly accelerations can continue. We will also issue a paid-up certificate for 25% of the coverage amount to be paid to the beneficiary upon the covered person's death. This rider will terminate when the cumulative increases total 100% of the coverage amount in effect when the ADB-LB accelerations began, or earlier if the covered person is no longer eligible for benefits.

Waiver of Monthly Deductions for Layoff or Strike Rider (Rider Form Series CRLWL100) - Waives the monthly deductions for up to six months per year if the employee is involuntarily laid off. Benefits are limited to three layoffs per year and are based on the employee's layoff only. Layoff of a covered spouse or child does not qualify for this waiver. Premium payments must have begun prior to the covered employee's layoff. Rider is available through age 55 and terminates on the employee's 60th birthday or when the coverage is assigned to another party, whichever is earlier.

Child Term Insurance Rider (Rider Form Series CRLCH100) - Allows a covered employee or spouse (but not both) to cover all eligible children, age 15 days through age 25, for the selected amount of term insurance. Coverage on each child terminates on that child's 26th birthday or when the parent's coverage ends, whichever is earlier. Upon the termination the child has 31 days in which to convert to an individual contract for up to 5 times the amount of coverage under this rider or \$50,000. All children in the family will be insured for the same coverage amount.
